REPORT OF THE INDEPENDENT AUDITOR TO THE MEMBERS OF ZIMELE GUARANTEED PERSONAL PENSION PLAN

Opinion

We have audited the accompanying financial statements of Zimele Guaranteed Personal Pension Scheme set out on pages 10 to 19 which comprise of the Statements of Net Assets available for Benefits at 31st December 2025 , the Statement of changes in Net Assets available for Benefits and Statement of changes in Funds and Reserves and Cash flows for the year ended and the notes to the financial statements, which include significant accounting policies and other explanatory information.

In our opinion, the financial statements give a true and fair view of the financial position of the Zimele Guaranteed Personal Pension Plan at 31st December 2025 and of its financial performance and cash flows for the year that ended in accordance with International Financial Reporting Standards and the requirements of the Retirement Benefits Act.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Trust in accordance with the International Ethics Standards Board for Accountants (IESBA), International Code of Ethics for Professional Accountants (including International Independence Standards) (the IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Kenya. We have fulfilled our other ethical responsibilities in accordance with the IESBA Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

The other information comprises Trustee and professional advisors, Report of the Trustee, Statement of Trustee's Responsibilities and the Trustees' Governance Report which we obtained prior to the date of this auditor's report, and the rest of the other information in the Annual Report which are expected to be made available to us after that date, but does not include the financial statements and our auditor's report thereon. The Trustee is responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in audit, or otherwise appears to be materially misstated. If, based on the work we have performed on the other information we have received prior to the date of this auditor's report we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

REPORT OF THE INDEPENDENT AUDITOR TO THE MEMBERS OF ZIMELE GUARANTEED PERSONAL PENSION SCHEME

Responsibilities of Trustee for the financial statements

The Trustee is responsible for the preparation of financial statements that give a true and fair view in accordance with International Financial Reporting Standards and the requirements of Retirement Benefits Act, and for such internal control as the trustee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustee is responsible for assessing the Plans' ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustee either intends to liquidate the Plan or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- ii) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

**REPORT OF THE INDEPENDENT AUDITOR
TO THE MEMBERS OF ZIMELE GUARANTEED PERSONAL PENSION SCHEME**

Auditor’s responsibilities for the audit of the financial statements

- iv) Conclude on the appropriateness of the Trustees’ use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events of conditions that may cast significant doubt on the Plan’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to date of our auditor’s report. However, future events or conditions may cause the Plan to cease to continue as a going concern.
- v) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Trustee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

From the matters communicated with the Trustees, we determine those matters that were of most significance in the audit of the financial statement of the current period and are therefore the key audit matters. We describe these matters in our auditor’s report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annual report and financial statements For the year ended 31st December 2025

NOTES TO THE FINANCIAL STATEMENTS

1. BASIS OF PREPARATION OF THE FINANCIAL STATEMENTS

i) Basis of preparation

The financial statements are presented in Kenya Shillings (KSh), and are prepared under the historical cost convention, as modified by the carrying of investments at fair value.

ii) Statement of compliance

The financial statements have been prepared in accordance with and comply with International Financial Reporting Standards and the Retirement Benefits Act 1997 as amended and the Retirement Benefits (Individual Retirement Benefit Schemes) Regulations, 2000.

The financial statements summarise the transactions of the scheme and deal with the net assets at the disposal of the Trustees. They do not take account of obligations to pay benefits that fall due after the end of the financial year.

iii) New and revised standards

IFRS 9 Financial Instruments (issued in July 2014) – This standard will replace IAS 39 (and all the previous versions of IFRS 9) effective for annual periods beginning on or after 1 January 2018.

2. ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of these financial statements are set out below:

(a) Contributions

Contributions from the members are accounted for in the period to which they fall due.

(b) Interest income

Interest income is accounted for in the period in which it is earned.

(c) Benefits payable

Benefits payable to seceding members are accounted for in the period to which they fall

(d) Benefit transfers

Benefit transfers are recognized in the period in which members join from other schemes or leave for other schemes.

3 SIGNIFICANT JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including exceptions of future events that are believed to be reasonable under the circumstances. There are no estimates or judgements made that give rise to a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next financial year.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

4. FINANCIAL RISK MANAGEMENT DISCLOSURES

The scheme's activities expose it to a variety of financial risks, including credit risk and the effects of changes in foreign currency exchange rates and interest rates. The scheme's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on its financial performance, but the scheme does not hedge any risks.

Risk management is carried out by the Fund Manager, Zimele Asset Management Company Limited (ZAMCO). ZAMCO identifies, evaluates and manages financial risks, with emphasis on specific areas such as interest rate risk, credit risk and investing excess liquidity.

Market risk

(i) Foreign exchange risk

The scheme has no investments in offshore markets or in foreign currency and is therefore not exposed to foreign exchange risk arising from various currency exposures.

(ii) Cashflow and fair value interest rate risk

The scheme does not hold any interest bearing financial liability or overdraft at a variable rate which would expose the scheme to cash flow interest rate risk.

(iii) Credit risk

Credit risk refers to the risk that a counterparty will default on his obligations resulting in financial loss to the scheme and arises principally from the scheme's investments and contributions receivable. The fund does not have any significant concentrations of credit risk. The approved issuer assesses the credit quality of each investment, taking into account its credit rating. Individual risk limits are set based on internal or external ratings in accordance with limits set by the trustees.

(iv) Liquidity risk

Prudent liquidity risk management includes maintaining sufficient cash balances to cover anticipated benefit payments. The trustees agree with the approved issuer on the amount to be invested in assets that can be easily liquidated.

18 PLAN MANAGEMENT

The plan's objectives when managing funds are:

- to comply with the Retirement Benefits (Individual Retirement Benefits Schemes) Regulations, 2000 made under the Retirement Benefits Act, 1997.
- to safeguard the plan's ability to continue as a going concern, so that it can continue to provide returns for members and benefits for other stakeholders.

The Retirement Benefits Act, 1997 requires the plan's Trustee to invest members' funds using prudent investment policies that shall get the members market rates on their investments. This requirement has been complied with.

The Trustee sets the amount of fund in proportion to risk. The Trustee manages the plan structure and adjusts it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

The plan comprises members' funds.
